SPOOKY SEASON STALKS ON... AND WE'VE REACHED #999! 🧟

Hail, Wednesday Warriors of Gotham!

Halloween is this Saturday, the shop is appropriately decked out for the season, and New Comic Book Day has decided to arrive with a truly ridiculous pile of new comics.

Darkseid. Darth Vader. Godzilla. The Bride of Frankenstein. Samantha Strong! Apparently, everyone dangerous showed up for Halloween week.

And because Halloween falls on Saturday this year, we'll also have a special TRICK OR READ Halloween comic giveaway for folks who stop in that day, while supplies last. *Comics AND candy?!*

Oh, and one more thing... This is newsletter #999.

After all these years of store news, comics, camps, events, sales, gaming, community happenings and general Other Worlds nonsense, the next one will be the big #1000.

That is both exciting and slightly hard to believe.

So before we cross that particular bridge, let's enjoy one wonderfully oversized Halloween week.

TRICK OR READ — THIS SATURDAY!

Halloween falls on Saturday, and we'll have a special Trick or Read Halloween comic to give away to visitors who stop in.

Come by in costume, come by between errands, bring the kids, bring your fellow adventurers, or just wander in because you smelled comics and candy.

Free candy and 'Trick or Read' comic while supplies last. (limit One per customer)

999... AND COUNTING

This newsletter is issue #999.
That number feels a little surreal.

These newsletters began years ago as relatively simple store updates about events, sales, board games, Magic, Warhammer, and whatever else we were doing at the time. Over the years they grew along with the shop, eventually adding camps, comics, subscriber news, community gatherings, new releases, strange little stories, and far more words than I probably ever intended to write.

Next week we hit #1000.

I am already thinking about what I want to say when we get there, but for now, I mostly want to say thank you for continuing to read these things after all these years.

Some of you have been receiving them for a very long time.
That means more to me than you probably realize.

Welcome, New Subscribers!

We want to extend a special welcome to our new comic subscribers, especially those transferring over from other comic shops. We know changing stores can feel like a disruption to a long-running weekly ritual, and we truly appreciate the trust you are placing in us.

We are doing our best at trying to adapt our order numbers to accommodate new subscribers and late or last-minute requests from others. We thank you for your patience. Welcome to Other Worlds!

For all new and existing subscribers, we now invite you to begin using League of Comic Geeks. They are a well-organized site that gives subscribers a simpler way to manage their own title requests while giving us a clearer, more centralized system to review and sync those changes with our ordering process.

And one more benefit of your subscription: you are invited to our free monthly comics meetup, **Coffee & Comics**, where subscribers and fellow readers can get together, talk comics, share recommendations, and enjoy the community side of the hobby.

League of Comic Geeks

For all new and existing subscribers, we now invite you to begin using **League of Comic Geeks**. They are a well-organized site that gives subscribers a simpler way to manage their own title requests while giving us a clearer, more centralized system to review and sync those changes with our ordering process.

<https://leagueofcomicgeeks.com/stores>

User accounts are free. After creating an account, search for Other Worlds Games & Comics and send us a store connection request. Once we receive it, we can activate your connection and begin syncing your subscription requests.

Please note: you must already have an active subscriber account with us before we can activate you through League of Comic Geeks.

Subscriber Reminder

If you are a subscriber, your regular titles will be pulled and charges will run on Tuesdays before release, as usual. If you know your credit card is expired or about to, please contact us to update so you don't miss any of your ongoing titles.

If you would like to add any new titles from this newsletter or any other new series to your pull box, please let us know through **League of Comic Geeks**, via EMAIL (reply to this newsletter with box ## in subject line) or in-person as soon as possible.

"I HAVE FRIENDS EVERYWHERE"
Subscribers-only, Release-Day Reminder

[In Stan Lee's voice] *To make sure your weekly stack of sensational stories is ready right when we open on Wednesdays, we assemble and process subscriptions the day before—so don't be surprised if you spot a charge on Tuesday!*

But hold onto your capes! By the iron-clad laws of publishers and distributors, no new comics can be released before Wednesday morning—no exceptions, not even for your friendly neighborhood shop!

Thanks for being part of the adventure and helping us keep everything running smoother than a Silver Surfer hover-board! AND, REMEMBER THE PASSPHRASE (above) — Excelsior!
